

Shipping Method Descriptions

Orders require time to process before shipping. Choosing a shipping method other than ground service will reduce the transit time only.

We typically use Fed Ex or UPS as the shipping carrier. On rare occasions, we will use an alternative carrier.

Some of the shipping methods listed may not be available for the product you are buying or the webstore you are using.

Ground Shipping:

Products are normally delivered two to seven business days after shipment.

2-3 Day Shipping:

Products are normally delivered two to three business days after shipment.

Next Day Shipping:

Products are normally delivered one business day after shipment.

Availability / Delivery Descriptions

Orders require time to process before shipping. Choosing a shipping method other than ground service will reduce the transit time only.

If your order requires eligibility documents, we will process it after we receive the documents. We do not process orders during the weekend.

Some of the availability / delivery descriptions listed may not be available for the product you are buying or the webstore you are using.

Delivery: Ships in 1-2 Days

Orders may require 1-2 days (or longer) to process prior to shipping. Usually, orders are processed and shipped same day if ordered before 3pm.

Unable to locate ETA

Product is available for order but the ETA is unknown to our system. In most cases, orders may require 1-2 days (or longer) to process prior to shipping. If you request an ETA, we will contact our sources and provide the ETA information to you.

Special Order Only

Availability is unknown or restrictions apply. If you request, we will email you with information regarding availability.

DISCONTINUED

The product is unavailable for purchase or order.
